

**NOTICE OF
PUBLIC INFORMATION MEETING**

**PROPOSED S. NICHOLSON AVENUE/S. PENNSYLVANIA AVENUE
EXPANSION
(RAWSON AVENUE TO COLLEGE AVENUE)**

**CITY ADMINISTRATION BUILDING – 2424 15th Avenue, South Milwaukee
WEDNESDAY, MAY 26, 2010 – 5:00 P.M. to 7:00 P.M.**

A Public Information Meeting (PIM) will be held on Wednesday, May 26, 2010 from 5:00 p.m. to 7:00 p.m. at the City of South Milwaukee Administration Building, 2424 15th Avenue, for interested parties to become familiar with the proposed improvements to S. Nicholson Avenue/S. Pennsylvania Avenue between Rawson and College Avenues, located in the cities of South Milwaukee and Oak Creek.

The proposed project includes capacity expansion by reconstructing the existing 2-lane roadway to a 4-lane facility, with construction planned for 2012. Federal and State funding provides approximately 80% of the estimated \$4.5 million design and construction costs, with Oak Creek and South Milwaukee each funding 10%.

The informational meeting will be “open house” format, and is being held to provide preliminary design information, to discuss proposed improvements and alternatives, and to gather your comments and concerns on the proposed project. The open house format meeting is flexible, so feel free to come and go as you desire.

If you have any questions regarding the project, please contact Munzer Haidar, PE, Project Manager, Foth Infrastructure & Environment, LLC, at 414-336-7900, or e-mail: mhaidar@foth.com, or you may contact City Engineer Kyle Vandercar, 414-762-2222, ext. 136, or e-mail: vandercar@ci.south-milwaukee.wi.us.
