On 5/25/10, at about 6:12pm, SMPD received a report of a possible domestic violence incident in progress. Upon arrival, Officers spoke with a witness, which led to a forced entry into an apartment by Officers.

Once inside, Officers located a 51 year old man with stab wounds to his arm, chest, and leg. He was transported to Froedtert Hospital for treatment.

A 49 year old woman, also inside the residence, was transported to SMPD and later confessed to stabbing the man during a physical altercation with him a short time earlier. She was transported to the Milwaukee County Justice Facility to await a charging conference later this week.
