On Friday September 10, 2010 at about 12:20am the City of South Milwaukee Emergency Dispatch Center received a 911 call from a resident at 500 Willow Ln South Milwaukee, WI who reported a fire in the attached garage at their home at that location. South Milwaukee Police Officers and Fire Department Personnel responded to the scene. All five residents, 3 adults and 2 children, were able to evacuate themselves and one of their pet dogs before the emergency personnel arrived. There were no human casualties, but two other dogs died in the fire. The fire had spread throughout the home before it could be extinguished and the entire structure was extensively damaged. The cause of the fire is still under investigation.
