SUBJECT: Project I.D. ARRA 2355-00-76
Highway/Street: E. College Ave. (CTH ZZ)
Termini/Location: S. Pennsylvania Ave. to S. Packard Ave.
County: Milwaukee

March 23, 2011

Dear Resident/Property Owner:

OTIE, LLC is the construction consultant representing the Wisconsin Department of Transportation, Bureau of Project Development, Local Program, Southeast Region, on the subject project.

This is an American Recovery and Reinvestment Act (ARRA) Project. There are special considerations needed for all participants, inclusive of local contractors and local units of government.

It is anticipated that during the week of March 28, 2011 construction work will begin for the roadway construction project. Construction limits will be S. Pennsylvania Ave. to S. Packard Ave (see map on reverse). The project will be constructed in several phases to operate with minimal disturbance to local businesses and residents. This project is tentatively scheduled to be completed by the end of July, 2011.

Emergency vehicles will have access to the area at all times. Local emergency services have been notified of the construction schedule and will route emergency vehicles accordingly. Please be advised that some sidewalks and crosswalks will be temporarily closed during construction.

I would like to take this opportunity to remind everyone of the safety hazards around a construction project. Driving at a reduced speed will make it safer for everyone concerned. Also, a roadway construction project makes a very dangerous but attractive playground for children. Please warn them of the dangers and please keep them clear of the construction area.

If you have any questions or concerns regarding the project, please contact me, Joshua Skarsten, Project Engineer at (414) 762-4239. I will normally be on the job between 7:00am and 5:00pm.

Sincerely,

Joshua Skarsten
Project Engineer
OTIE, LLC
