

Suspicious Person (obviously disguised) at Tri City Bank in South Milwaukee

On Tuesday July 12, 2011 at about 4:15pm a suspicious male came into the South Milwaukee Branch of the Tri City Bank located at 2115 10th Ave. South Milwaukee, WI. The male was obviously disguised and made certain he did not touch the door with his hands, pushing it with his covered forearms when he came in and out. The man approached the teller who asked him how he was doing, the man replied "good" then said, "okay" and left the bank without doing any business. As you can see it is a male white, middle aged, about 5'07", and of medium build.
