FAN BUS - Going away for a game means we need to get as many fans as we can out to the game and we need them to be loud for the Rockets!. To help get as many fans as possible to the game, we have 1 fan bus set up so far and if there is interest, we will add a 2nd bus. I will be seeing how many students are interested in going today and tomorrow but adults would be able to take the bus provided there is room. The bus is scheduled to leave the stadium parking lot at 5:15pm on Saturday. There will be a small charge to help offset the cost (\$2 or \$3 per person depending on the cost). Let me know if you would be interested in taking the bus.
