We would like to thank all the people that have helped us over the 25 years. We've made so many friends and met such wonderful people! We hope the memories we created with our portraits will make you smile for many years to come.

Have we photographed a wedding - yours or someone you know - over the past 25 years? We are selling the wedding archives for \$50, which includes any previews you may not have purchased, plus a copyright release. We are keeping the portrait archives for the time being, so don't worry - we'll have them for you.

Thank you for all your support, and we look forward to making more friends in the future!

## Advertise Your Business on a Street Banner

Snow may be on the ground, but Spring is right around the corner and Spring Time is Banner Time! Take advantage of increasing the visibility of your business by advertising on a customized banner in the heart of downtown South Milwaukee at a reasonable cost.

The banners are hung in the heart of the downtown South Milwaukee running along 10th and Milwaukee Avenues in spring, then removed in late fall. The six month season provides maximum exposure for participating members as the banners are viewed everyday by car and foot traffic as well as during special sidewalk events and parades. Current program participants will retain their reserved pole(s).

### Single Banner Purchase:

First year \$200, plus \$10 set-up fee  
Each year thereafter: \$75.00

### Two Banners Purchased:

First year \$300, plus \$10 set-up fee  
Each year thereafter: \$125

The annual fee covers the costs of repairs and maintenance of the banner. The Chamber is responsible for the storage and display of the banners. Annual fees must be paid in advance by April 15 for membership to remain active. Contact the Chamber Office to place your Banner order today!
