LIFE SAVING COMMENDATION: awarded to any officer whose action directly contributed to the saving or significant prolonging of human life.

Investigator Hill – nominated by Officer Rivamonte

On December 20, 2014 at approximately 9:44pm the South Milwaukee Police Department took a report of a suicidal subject who had slashed his wrists and left his mother's residence on bicycle. Officers were given the general area of Grant Park to search for the subject who was in a mental health crisis. After searching for a significant amount of time Investigator Hill located the subject's bicycle hidden in some bushes; after searching the area he located the subject. The subject was unconscious and bleeding from cuts to both wrists. Investigator Hill provided immediate medical assistance to the subject. Officers carried the subject to Lake Drive so the South Milwaukee Fire Department could treat his injuries. If Investigator Hill had not continued to search for the subject he would have died in Grant Park that evening (it was cold 15 degrees and the subject was not properly clothed).

Officer Dews, Officer Fournier, PSO Maxim and Auxiliary Officer Ceparski – nominated by Officer McLean

On February 16, 2015 at approximately 3:27am the South Milwaukee Police Department received a 911 transfer call from the Milwaukee County Sheriff's Office. PSO Maxim was unable to speak with the 911 caller as the phone call ended prior to transferring. PSO Maxim was unable to make contact with the 911 caller as calls went to voicemail. PSO Maxim advised officers the 911 caller had reported he had fallen in the woods in Grant Park near the lagoon. PSO Maxim looked up the 911 coordinates to assist in locating the caller. Officers searched the area described by the 911 caller and found him lying on the snow covered ground. The subject was unable to stand and officers carried him to the roadway where the South Milwaukee Fire Department took over and transported the man to St. Luke's South Shore for medical treatment. Had the officers not located the man he possibly would have died due to the cold weather conditions.

MERIT AWARD: awarded for excellent arrest by any officer directly involved in the capture and arrest of a felon who was endangering the lives and/or property of the community.
