

South Milwaukee Ace is your headquarters for everything Christmas. The Christmas Tree Lot at South Milwaukee Ace has opened; we have fresh cut Frasier and Balsam Fir trees, wreaths and kissing balls. So, come on down and pick out the perfect tree for your family. While you're here you can wander through our extensive assortment of Christmas decorations and more. You're in for another treat as well, because Santa has agreed to borrow us a few of his reindeer for a couple of hours. Santa's reindeer will be visiting South Milwaukee on December 10<sup>th</sup> from 10:00-12:00, so bring the kids and have their picture taken with the reindeer for a nominal fee. Santa has also dropped off his mailbox inside of our store near the entrance. Santa has promised that he will personally answer every letter that is mailed from South Milwaukee Ace. While you are mailing your letter to Santa, check out the World's Largest Stocking right above Santa's mailbox. We will be giving the stocking away to some lucky girl or boy on December 18th. So, stop on down to South Milwaukee Ace.... we are your Christmas headquarters.
