With a high-spirited score and lovable characters, this stage adaptation is certain to charm and delight all audiences. Pet owners, Roger and Anita, live happily in London with their Dalmatians, Pongo and Perdita, stalwart dogs devoted to raising their puppies. a cast of fairytale misfits on an adventure to rescue a princess and find true acceptance. Part romance and part twisted fairy tale, *Shrek JR.* is an irreverently fun show with a powerful message for the whole family. Once upon a time, in a far away swamp, there lived an ogre named Shrek. One day, Shrek finds his swamp invaded by banished fairytale misfits who have been cast off by Lord Farquaad, a tiny terror with big ambitions. When Shrek sets off with a wisecracking donkey to confront Farquaad, he's handed a task – if he rescues feisty princess Fiona, his swamp will be righted. Shrek tries to win Fiona's love and vanquish Lord Farquaad, but a fairytale wouldn't be complete without a few twists and turns along the way. Pre-registration is required.
