STUDENT & COMMUNITY OUTREACH

Love the arts as much as we do? Show your support. There are several ways you can help: attend this casual FUNdraiser, donate to our annual campaign, and purchase tickets. All proceeds support the SMPAC mission of enriching lives by providing creative, innovative and diverse performing arts. All donations are tax-deductible.

Help us fill the gap. Like most non-profit arts organizations, income from ticket sales and rentals covers only a fraction of our budget. Financial pressures faced by school districts like ours mean that budget contributions have been fixed for years while expenses continue to rise. We rely on charitable contributions to close the gap. Your support is vital for us to continue to provide the programming, staff support, equipment maintenance and more that enriches the lives of our students and community.

Join us for a casual evening of fun, friends, live music, auction, hors d'oeuvres (cash bar), and consider making a donation.

Advance: \$40/single or \$75/pair (+\$5 at the door)

YOUTH THEATRE

“The arts are an essential element of education, just like reading, writing, and arithmetic...music, dance, painting, and theater are all keys that unlock profound human understanding and accomplishment.”

—William Bennett, Former US Secretary of Education
